MANUAL

Thank you

Thank you for choosing RelaxoPet® PLAY Multi-Ring with Relax-Level HIGH.

The RelaxoPet® PLAY Multi-Ring is a dog training toy and can be used for throwing or for motivation and relaxation exercises to playfully reduce fears and stress.

This manual contains a detailed description, as well as the safety and operating instructions of the RelaxoPet® PLAY Multi-Ring with fragrance-safe.

This instruction manual is intended to help you to use RelaxoPet® PLAY Multi-Ring in conjunction with RelaxoPet® SENSE fragrance pods particularly effectively for your pet.

Before using RelaxoPet® PLAY Multi-Ring read the operating instructions and save them.

Packaging unit:

- RelaxoPet® PLAY Multi-Ring
- RelaxoPet® fragrance-safe-system
- Packaging bag

Further information about our products and their use can be found on our website at www.relaxopet.com or e-mail customer service if you have any questions at service@relaxopet.com

Safety Instructions

The RelaxoPet® PLAY Multi-Ring and the RelaxoPet® SENSE fragrance pods may only be used in dogs **from the age of 20 weeks** and under supervision.

The RelaxoPet® SENSE fragrance pods are exclusively developed for use in the innovative RelaxoPet® fragrance-safe and **may not** be used for other purposes.

The RelaxoPet® SENSE fragrance pods can cause allergic reactions. In case of an allergic reaction, consult a doctor immediately.

Constantly monitor the playing with the RelaxoPet® PLAY Multi-Ring and stop playing immediately if the Multi-Ring appears damaged.

Make sure that your dog cannot open the integrated fragrance-safe by itself. Before **EVERY** game, check that the fragrance-safe is locked and that the fragrance pod is out of reach of the dog.

Do not use the Multi-Ring if damage, cracks, detached and/or loose parts are visible on it and check it regularly.

Do not remove or alter seams and **never** repair the fragrance-safe-system yourself. Otherwise a safe and hygienic use of the RelaxoPet® SENSE fragrance pods cannot be guaranteed.

The RelaxoPet® PLAY Multi-Ring is not suitable for use and play in water.

The RelaxoPet® PLAY Multi-Ring and the RelaxoPet® SENSE fragrance pods are **not** suitable for children. Keep both out of reach of children and animals.

Please dispose the used fragrance pod properly in the appropriate waste.

Care Instructions

How to maintain the RelaxoPet® PLAY Multi-Ring

The RelaxoPet® PLAY Multi-Ring should be cared for and cleaned regularly, just like any other dog toy, so that your dog can enjoy his Multi-Ring for a long time.

Clean the RelaxoPet® PLAY Multi-Ring exclusively by hand wash and do not use chemical detergents. Do not bleach or iron the Multi-Ring. RelaxoPet® PLAY Multi-Ring is not suitable for the washing machine or dryer.

For drying after washing or when the Multi-Ring has become wet, you should place it in a dry place and let it air dry. Do not dry on the heater or in direct sunlight.

The RelaxoPet® PLAY Multi-Ring should only be used again for playing or relaxing when completely dry.

tumble dry!

Application | function

How to use the RelaxoPet® PLAY Multi-Ring

Remove all packaging parts **carefully** with scissors and dispose of them in the residual waste. You can use the RelaxoPet® PLAY Multi-Ring immediately in many ways for playing or relaxing with your dog.

The RelaxoPet® PLAY Multi-Ring was double-sewn in a **3-layer concept** with **robust canvas fabric** and is therefore suitable for various **throwing** and **motivational games**. An integrated **active antibacterial protective layer** ensures an extremely long and safe play and relaxation pleasure with the RelaxoPet® PLAY Multi-Ring.

Application with RelaxoPet[®] fragrance pods

How to use the RelaxoPet[®] PLAY Multi-Ring in conjunction with the RelaxoPet[®] SENSE fragrance pods

- 1.** Open the velcro fastener on the RelaxoPet[®] fragrance-safe in the area of the red fabric on the RelaxoPet[®] PLAY Multi-Ring. Then remove a new RelaxoPet[®] SENSE fragrance pod from the individually sealed vacuum packages.
- 2.** Insert the fragrance pod into the RelaxoPet[®] fragrance-safe. The fragrance-safe can now be securely closed

with the velcro fastener. After only 10 minutes, the natural fragrance from high-quality oils unfold, which are distributed in a radius of approximately one meter around the Multi-Ring and form a fragrance field.

Within the next 24 to 48 hours the entire fragrance of the fragrance pod is distributed in the play ring. The fragrance is now less perceptible for us humans and perfectly dosed for the dog with its good smelling ability.

Application with RelaxoPet® fragrance pods

How to use the RelaxoPet® PLAY Multi-Ring in conjunction with the RelaxoPet® SENSE fragrance pods

3. If the fragrance of the RelaxoPet® SENSE fragrance pod should have decreased after approx. 30 days, the fragrance pod can be removed simply by opening the velcro fastener and disposed of properly in the residual waste. The durability of the fragrance pod depends on its ambient temperature.

Attention!

Please check **regularly** and before **EVERY** use that the velcro is closed at all times and that children and animals **cannot** reach the fragrance pod!

RelaxoPet® SENSE fragrance pod variants

Even more relaxation, protection and freshness for your dog

The RelaxoPet® SENSE fragrance pods are available in the versions relaxation (valerian), protect (lemongrass) and fresh (bergamot).

RelaxoPet® SENSE fragrance pod relaxation

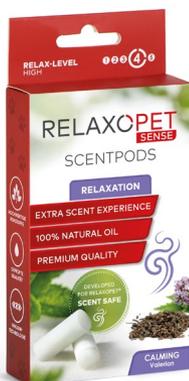

The pure oils of real valerian in the RelaxoPet® SENSE fragrance pod relaxation calm the dog naturally in various stressful situations down.

RelaxoPet® SENSE fragrance pod protect

The real lemongrass plant from Asia prevents ticks, fleas, bugs and more and is therefore used in the RelaxoPet® SENSE fragrance pod protect.

RelaxoPet® SENSE fragrance pod fresh

The pure essential oils of the bergamot peel in the RelaxoPet® SENSE fragrance pod fresh smells invigorating, stimulate and lighten the mood of your dog.
